

The Farm & The Odd Fellows is a dynamic venue known for its rich history and diverse atmosphere. Our brewpub is a working production like a farm with the unconventional spirit of The Odd Fellows, making us a beloved spot for locals and visitors alike. We pride ourselves on our curated selection of cocktails, local brews, and farm-to-table bites that keep our guests coming back for more.

**The Role:** As our bartender, you'll be the alchemist behind the bar, mixing up classic favorites and innovative concoctions that surprise and delight. You're not just serving drinks; you're creating experiences, fostering connections, and being a vital part of our community and those who choose to let us host them! We are looking for someone

- Has a genuine passion for mixology and people.
- Possesses excellent communication skills and can engage with a diverse clientele.
- Demonstrates creativity and is eager to experiment with new drink recipes.
- Maintains a clean and orderly bar, ensuring all health and safety standards are met.
- Has previous experience in a fast-paced bar or restaurant environment (preferred, but not mandatory).

#### **Responsibilities:**

Prepare and serve beverages with precision and care.

Engage with guests, making recommendations and sharing the stories behind our drinks and venue.

Manage inventory and restock bar supplies as needed.

Participate in creating new beverage menus in collaboration with our team.

Ensure the bar area remains clean, welcoming

Compliant with all regulations.

#### **Why Join Us?**

**A Creative Outlet:** Your input will be valued as we constantly evolve our menu and offerings.

**An Unscripted Journey:** Join a team that wants you to succeed! We support each other and believe in growing together.

**Atypical Environment:** The stunning facility is motivating and inspiring.
